School Supply Drive

Pencils and Paper operates a free store to serve the educational and creative needs of children in the Greater Rochester area by providing school supplies to teachers at high poverty schools. If a family struggles to afford food, school supplies don't top the list of necessities and it is difficult for a child to learn without access to basics such as pencils, paper, and crayons. Moreover, studies show that teachers typically spend between \$500 and \$1,200 of their own money each year so that their students have supplies.

Most Needed:
